I am so excited to have you in my class for the 2021-2022 school year! Before we jump into an incredible year, read below to find out some very important information regarding this class!

- ★ If you are absent you will have the amount of days that you were gone to complete the work you missed. For example, if you were absent one day, you would have one day to finish the work you missed in order to receive full credit.
- ★ Daily work that is not finished in class is expected to be completed at home before the due date.
- ★ **Late work policy:** If a paper is late, the highest grade you will receive is an 80. Late work may be turned in until a major grade is taken over the topic. In addition, late work will not be accepted past each 3 week mark. For example, any work from the first three weeks of school cannot be turned in after August 27th. Anything missing from the first three weeks will remain a zero in the gradebook, aside from extenuating circumstances. (cut off dates on next page)
- ★ Class supplies:
 - Chromebook
 - Pencil
 - Notebook for notes (spiral or composition is fine)
 - Binder or folder to keep your work organized
- ★ Grading percentages
 - Daily work - 60%
 - Tests - 40% (including CBA) *If you do not pass a test, you may re-test for a maximum grade of 70. This must be done before or after school within one week of receiving the graded test. 9 weeks and semester tests cannot be retaken.*
