Overview of State Funding System

- ❑ **State Funding System – Where Do the District’s Revenues Come From:** Azle ISD is legally required to operate pursuant to the requirements of the Texas Education Code. In particular, the Texas Education Code determines the District’s ability to generate local tax revenues for maintenance & operation purposes and for the repayment of voter-approved bonds. In this regard, the District annually sets two (2) separate tax rates that are levied upon its certified taxable value that is independently determined by the Tarrant Appraisal District, Parker County Appraisal District and Wise County Appraisal District:
- **Maintenance & Operations (“M&O”) Tax Rate:** To provide funds for the “day to day” operational expenses of the District, including instructional programs, teacher salaries, instructional supplies, security, student transportation, extracurricular activities, utilities, facility infrastructure/maintenance, etc.
 - ✓ The District’s annual funds for maintenance & operation purposes primarily consist of a combination of State funding and local M&O taxes. In general, the dollar amount of each component is determined by the District’s “Equalized Wealth per Student” (i.e. taxable value / weighted average daily attendance) as set by the State. For year 2018/19, the District’s sources for M&O revenues are summarized to the right.
 - ✓ On September 8, 2018, voters approved a tax ratification election to increase the District’s M&O tax rate to \$1.17. Prior to such ratification, the District was limited to a \$1.04 tax rate for maintenance and operations.
