

Azle ISD Student COVID Protocols

(Parents and Students Self Screen)

DO YOU HAVE:

Positive COVID Test

Stay home for 10 days from symptoms

AND

Improved symptoms (*cough, difficulty breathing, etc.*)

AND

24 hours fever-free (*without fever-reducing medication*)

Close Contact

Highly recommend isolation

*Individuals that have been fully vaccinated or have had COVID in the last three months will NOT be considered as "Close Contact"

Close Contact and Develop Symptoms

Isolation at home

AND

Can test then

OR

Recommend to test again in five days

Please notify campus immediately for all COVID-related absences.

Visit www.azleisd.net/AzleISD2021COVIDProtocols for a complete overview of Azle ISD protocols.

*COVID protocols are subject to change due to area, state, and national COVID trends and requirements of governmental agencies.
