

# Azle ISD Device Signature Agreement

I have read and understand the Azle ISD Student Device agreement, Azle ISD Internet Safety Policy, and the Azle ISD Acceptable use Policy (please find these documents at [www.azleisd.net/iconnect](http://www.azleisd.net/iconnect)). I understand that at any time the district can revoke the issuance of the device issued if any of the Policies are not adhered to. This form must be signed by both the students and parents. I further understand Azle ISD may modify the Device agreement annually and it is my responsibility to stay current on the agreement of this program.
